

MARCOS CARDOSO ORILIO

ARCHITECT AND URBANIST

PROFILE

Born in Brazil and with Italian citizenship. I am 31 years old, I work legally in the UK and my English is Intermediate.

I have Architecture Diploma, with a lot of professional experience and skills in residential projects, interior designer and mechanical designer.

I have strong skills with software like Autocad, SketchUp and V-Ray, also a Revit course certificate in the UK.

My goal is to work with anything about architecture.
